

MRPL512

MediaRange CD-R 700MB|80min 52x speed, inkjet fullsurface printable, Waterguard white, high-glossy and waterproof, wide sputtered, Cake 25

MediaRange CD-R storage media are perfect for archiving your data quickly and efficiently. The excellent recording stability allows your data to be saved in just a few minutes with writing speeds of up to 52x. The superb compatibility with CD burners and players ensures that you can access your personal photos, documents, music, videos and backups anywhere and at any time. Our entire range of storage media is known for its long archival life and excellent UV light resistance. The special waterproof coating lets you print vibrant glossy images with all inkjet printers that have a CD print function. Give your media an individual and professional design just the way you want.
