MasterBox Lite 3.1

MCW-L3B3-KANN-01

Choose Your Style

The MasterBox Lite 3.1 mATX Case is your straightforward option for your PC build that doesn't ignore good looks, customization, or performance. A sleek DarkMirror front panel and three custom trim colors (included in the box) offer a great first entry point for customization. The compact chassis with spacious interior features black coating that gives the case a luxury look. Additionally, it comes with an edge to edge transparent acrylic side panel to show your internal components. And with support for up to 3 cooling fans and a watercooling system, we ensure your performance will not suffer.

Features

DarkMirror front panel - Stand out and be unique. Your case doesn't have to look boring.

Customizable trim colors - Choose from three distinct colors to suit your style, all included in the box.

Edge to edge transparent acrylic side panel - Show off your first build in style, and have easy access to your components in case things go haywire.

Full black coating - Let your system stand out with an all-black background.

Support for 3 fans & watercooling - Three 120mm fans and front watercooling support ensure that you don't have to compromise on performance.

Graphics card support up to 380mm - You won't ever have to worry about the fit of your graphics card, with support for even the largest, widest cards.
