

Deskside Shredder

22318 PaperSAFE® Series Multi+Media Shredder

Looking for the most convenient way to destroy confidential information? The PaperSAFE® 22318 shredder by Dahle is oil-free, maintenance free, and remarkably hassle-free. It offers best-in-class features and noise reduction to support a productive work environment.

Oil-Free Shredding

Wondering when your shredder was last oiled is no longer a concern. Through clever engineering, this machine maintains peak performance without oil. This PaperSAFE® shredder is not only convenient to use and economical to maintain, but also easier on the environment.

Whisper Quiet

Having a quiet work space is critical for productivity. This shredder features Whisper Quiet operation that

produces the lowest decibel levels in its class. It's perfect for shredding in a quiet office and not disturbing others nearby or on the phone.

Jam Protection

Fewer things are more frustrating than a paper jam. With built-in jam protection, this shredder prevents those annoyances. If sheet capacity is exceeded, the motor automatically stops and reverses to push the paper back out. This prevents a jam and makes it easy to re-feed fewer sheets.

Convenience

Additional features such as automatic on/off, bin-full auto off, and energy saving standby mode make this shredder convenient to use, easy to maintain, and environmentally friendly.

Product Features
